

What is the future of Clandon Park?

Learn more at the BCA Public Meeting 8pm on Monday 21st November Sutherland Memorial Hall

Many of you have enjoyed visits to Clandon House and will have been saddened by the fire that devastated the building last year.

Learn more about its future at our next public meeting where our speaker is Claire Nodder, House Manager at the time of the fire. She will talk about the fire and the restoration work that has been done so far, and look ahead to the future of Clandon House. We hope that you will come along and listen to a very interesting talk and take the opportunity to ask questions.

After the talk you are cordially invited to enjoy some seasonable drinks and nibbles.

NB: The Councillors' Forum planned for this date has been postponed until March 2017.
