

## AIR POLLUTION WORKSHOP AT UNIVERSITY OF SURREY

The Global Centre for Clean Air Research invites you to a free public workshop on the use of green infrastructure (trees and hedges) to tackle air pollution, including an opportunity to test a hedge design tool for reduced traffic emission exposure.

**Tuesday 16 July, 6:30pm – 8:30pm**

Lecture Theatre J, Stag Hill, Guildford, GU2 7XH

Reasonable travel expenses (Guildford area) may be reimbursed.

**First 30 registrants will receive a £5.00 Amazon gift card after participation.**

To register, or for more information, contact Yendle Barwise: [e.barwise@surrey.ac.uk](mailto:e.barwise@surrey.ac.uk)
